Government of Mysore.DEPARTMENT OF INDUSTRIES AND COMMERCE.No. B. 354
43-44Office of the Director,
Bangalore, dated 1st June 1944.

To

Charles E. Noronha, Esq., M.A.,
Secretary to the Government of Mysore,
Development Department, Bangalore.

Sir,

COMPILATION OF THE MANUAL OF STANDING
ORDERS RELATING TO THIS DEPARTMENT.

I have the honour to state that the Manual of Standing Orders relating to the Industries and Commerce Department was first prepared in 1916 and two supplements were issued in 1919 and 1927. It is now nearly 17 years since the compilation of the supplements of the Government Orders was made. I propose to cause the compilation of all the important Government Orders so far issued to end of December 1943. It is an arduous task requiring careful attention of a Senior Clerk. The Department is short-handed. I propose to entrust this work of compilation to Mr. D. Venkoba Rao, IST. Grade Clerk on Rs 100/- for attending to this work after office hours and on holidays, so that his legitimate work may not suffer. It will take 3 to 4 months for him to work overtime to compile this book. I recommend that he may be given an honorarium of Rs 150/- for this work. He has to cover all the Government Orders from March 1923 to date. I consider that the above honorarium is very low when compared to the laborious work involved on the official.

In this connection, it may be mentioned that this Clerk was entrusted with the compilation of the previous supplement (2nd supplement to the Manual of Government Orders Industries and Commerce) and he was granted an honorarium of Rs 25/- for compiling it which covered 6 to 7 years (1919 to 1926)

P. T. O.

(1919 to 1926) (~~vide G.O. No.~~

I request you to be good enough to obtain the necessary sanction of Government in this regard as the work has to be taken up as early as possible.

I have the honour to be,
Sir,
Your most obedient servant,

M. R. Kacalovicius
DIRECTOR.
